Mr. Ferenc Kery
President of the Hungarian Communications Association

Dear Mr. Kery,

On behalf of JSC “UA: PBC” I would like to express our sincere gratitude to you and Hungarian Communications Association for your support and opportunity for us to receive technical services assistance!

Following our previous correspondence and preliminary agreement we kindly ask you herewith to arrange the re-broadcasts of the programs of our TV channel UA: Pershyi by the Hungarian tv redistributors via cable, satellite, IP or MMDS on the territory of Hungary, until the end of the war, on a free-of-charge basis.

We are convinced that every act of solidarity and support makes us stronger in the struggle for an independent and democratic Ukraine.

Sincerely,

Mykola Chernotytskyi
Head of the Managing Board
