Hungarian Communications Association

Dear colleagues,

with this letter, the Espreso TV channel (Goldberry LLC) sends our respect to you and gives the official permission to rebroadcast our channel Espreso TV through networks and members of **Hungarian Communications Association** and guarantees that it will not make any claims in this regard in the future. This permission is valid for 1 year.

Espreso TV is one of the leading Ukrainian information television channels, which was created during the Revolution of Dignity in 2013. It is through the eyes of our operators that the whole world watched the events of "Maidan." Today, the Espreso TV channel provides satellite and digital broadcasting on the territory of Ukraine; we are also present in the cable networks, OTT, and IPTV platforms as well as on YOUTUBE (https://www.youtube.com/watch?v=d6mqOHJqUW8 and other social networks. Our website address is: https://global.espreso.tv .

Every day, more than 3 million people watch the Espreso TV channel. Our anchors and journalists are trusted and known both at home and abroad. We have a reputation for being a trustworthy and unbiased media outlet that honestly covers the events of the Russian-Ukrainian war in Ukraine. At present, the staff of the Espreso TV channel continues to work every day to support our viewers and spread the truth about the crimes committed by Russia against the civilian population of Ukraine.

The satellite signal of the Espreso TV channel is available for free distribution at the following parameters: ***Astra 4A 4.8°E at the frequency 12073H, 27500, ¾***

or ***Hot Bird 13C (13.0°E) Transponder 121 at the frequency 10 930H DVB-S2 8 PSK 30 000 ⅔.***

We could also spread our signal via IP.
